Welcome to the Family!

We are excited that you are here with us for training to become a 2=1 teacher. You are joining thousands of other couples around the world who are making a difference for marriages and families.

By now you should have completed at least Phase 1 of the Joshua Bible Study. You may complete Phase 2 anytime between now and when you begin teaching your first group. Once you have completed leadership training, you are eligible for many other leadership benefits. These will be shared with you during your training. You can also check out the leadership website, [www.learn4life.org](http://www.learn4life.org)

We know this weekend is going to be life-changing for you. There are many praying for you and for those you will touch through your ministry. God bless you and welcome!

Together in His harvest,
